

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW JERSEY

DARNELL PEARSON,

Plaintiff,

v.

CAMDEN COUNTY FREEHOLDERS;
CAMDEN COUNTY CORRECTIONAL
FACILITY,

Defendants.

HONORABLE JEROME B. SIMANDLE

Civil Action
No. 16-7191 (JBS-AMD)

OPINION

APPEARANCES:

Darnell Pearson, Plaintiff Pro Se
427 Atlantic Ave.
Camden, NJ 08104

SIMANDLE, Chief District Judge:

I. INTRODUCTION

Plaintiff Darnell Pearson seeks to bring a civil rights complaint pursuant to 42 U.S.C. § 1983 against the Camden County Freeholders ("Freeholders") and the Camden County Correctional Facility ("CCCF"). Complaint, Docket Entry 1.

At this time, the Court must review the complaint, pursuant to 28 U.S.C. § 1915(e)(2), to determine whether it should be dismissed as frivolous or malicious, for failure to state a claim upon which relief may be granted, or because it seeks monetary relief from a defendant who is immune from such relief. For the reasons set forth below, the Court will dismiss the

complaint with prejudice for failure to state a claim. 28 U.S.C. § 1915(e)(2)(b)(ii).

II. BACKGROUND

Plaintiff alleges that he was confined in the CCCF from March to May 2009, November 2009 to February 2010, in July 2012, and from August to September 2013. Complaint § III. Plaintiff states: "I was housed in the Camden County Correctional Facility on the above stated dates among others, and forced to sleep on floors of cells due to overcrowding. Sometimes by the toilet while other cellmates urinated and deficated." *Id.*

III. STANDARD OF REVIEW

Section 1915(e)(2) requires a court to review complaints prior to service in cases in which a plaintiff is proceeding *in forma pauperis*. The Court must *sua sponte* dismiss any claim that is frivolous, is malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief. This action is subject to *sua sponte* screening for dismissal under 28 U.S.C. § 1915(e)(2)(B) because Plaintiff is proceeding *in forma pauperis*.

To survive *sua sponte* screening for failure to state a claim, the complaint must allege "sufficient factual matter" to show that the claim is facially plausible. *Fowler v. UPMS Shadyside*, 578 F.3d 203, 210 (3d Cir. 2009) (citation omitted). "A claim has facial plausibility when the plaintiff pleads

factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Fair Wind Sailing, Inc. v. Dempster*, 764 F.3d 303, 308 n.3 (3d Cir. 2014). "[A] pleading that offers 'labels or conclusions' or 'a formulaic recitation of the elements of a cause of action will not do.'" *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007)).

IV. DISCUSSION

Plaintiff seeks monetary damages for allegedly unconstitutional conditions of confinement encountered at the CCCF. However, the complaint is barred by the statute of limitations.

New Jersey's two-year limitations period for personal injury governs § 1983 actions in federal court.¹ See *Wilson v. Garcia*, 471 U.S. 261, 276 (1985); *Dique v. N.J. State Police*, 603 F.3d 181, 185 (3d Cir. 2010). The accrual date of a § 1983 action is determined by federal law, however. *Wallace v. Kato*, 549 U.S. 384, 388 (2007); *Montanez v. Sec'y Pa. Dep't of Corr.*,

¹ "Although the running of the statute of limitations is ordinarily an affirmative defense, where that defense is obvious from the face of the complaint and no development of the record is necessary, a court may dismiss a time-barred complaint *sua sponte* under § 28 U.S.C. § 1915(e)(2)(B)(ii) for failure to state a claim." *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 111-12 (3d Cir. 2013) (*per curiam*).

773 F.3d 472, 480 (3d Cir. 2014). "Under federal law, a cause of action accrues when the plaintiff knew or should have known of the injury upon which the action is based." *Montanez*, 773 F.3d at 480 (internal quotation marks omitted).

Plaintiff states the events giving rise to his claims occurred in 2009, 2010, 2012, and 2013. The allegedly unconstitutional conditions of confinement at CCCF would have been immediately apparent to Plaintiff at the time of his detention; therefore, the statute of limitations for Plaintiff's claims expired, at the latest, in 2011, 2012, 2014, and 2015. As there are no grounds for equitable tolling of the statute of limitations,² the complaint will be dismissed with prejudice. *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 112 (3d Cir. 2013) (*per curiam*) (affirming dismissal with prejudice due to expiration of statute of limitations).

² Equitable tolling "is only appropriate '(1) where the defendant has actively misled the plaintiff respecting the plaintiff's cause of action; (2) where the plaintiff in some extraordinary way has been prevented from asserting his or her rights; or (3) where the plaintiff has timely asserted his or her rights mistakenly in the wrong forum.'" *Omar v. Blackman*, 590 F. App'x 162, 166 (3d Cir. 2014) (quoting *Santos ex rel. Beato v. United States*, 559 F.3d 189, 197 (3d Cir. 2009)).

V. CONCLUSION

For the reasons stated above, the complaint is dismissed with prejudice for failure to state a claim. An appropriate order follows.
